

# Learner Acknowledgement

This learner acknowledgement (“**Acknowledgement**”) by you (the “**Learner**”) is provided to, and for the benefit of, The Hospital for Sick Children, through its Infant and Early Mental Health Promotion Training and Education team (“**IEMHP**”), in connection with the Developmental Screening and Strategies for Support training program (the “**Program**”).

IEMHP hereby commits to provide:

- training to the Learner as outlined in the Training Information Package (“**TIP**”) related to the Program, which has been made available to the Learner, in accordance with the terms of this Acknowledgement and in the modalities specified in the TIP (e.g., online, in-person, synchronous, asynchronous).
- coaching sessions as a component of the Program to answer questions and provide the Learner with extra information to support the implementation into practice of tools taught during the Program.
- the Learner with clarification and support as it relates to the content of the Program and any registration or enrollment needs of the Learner.

The Learner hereby:

- acknowledges that the Learner must enroll and complete all necessary registration documents in order to participate in the Program.
- agrees that the Learner must complete all required assignments, assessments and surveys that are required by IEMHP as part of the Program, by the due dates and deadlines outlined in the TIP or otherwise made known to the Learner by IEMHP, in order to be eligible for a Certificate evidencing the Learner’s completion of the Program.
- agrees to use the learning platform to track their own progress throughout the Program.
- agrees that the training and resource materials provided to the Learner in connection with the Program, and all intellectual property rights related thereto, shall be, and at all times remain, the property of The Hospital for Sick Children.
- agrees: (i) to use the training and resource materials provided by IEMHP only as intended for the purposes of completing the Program and as tools in the Learner’s own practice; and (ii) not to provide the training or resource materials to any third party.
- acknowledges and agrees that: (i) the training and resource materials provided are not a prescription for practice and should be used by the Learner in consultation with the Learner’s own professional judgement and guidelines within their scope of practice; and (ii) SickKids is in no way responsible for the Learner’s use of the training or resource materials within their scope of practice.
- agrees to complete the follow-up survey that will be sent to the Learner by e-mail three months after completion of the Program.
- acknowledges and agrees with the cancellation policy outlined in the TIP.
- acknowledges and agrees that the IEMHP reserves the right to change Program content, trainers and times without prior notice to the Learner.
